

Vision & Mission

The McDonnell International Scholars Academy is the Lead Initiative in Washington University's Globalization Strategy

- Recruits future global leaders from partner institutions and the United States, and supports them as they pursue doctoral and master's degrees at Washington University.
- Provides Academy Scholars from around the world with an extraordinary experience in leadership education at Washington University.
- Develops a cohort of future global leaders in a global university system and promotes social awareness and responsibility.
- Strengthens relationships between Washington University and alumni, parents, friends, corporations, and governments of the Scholars' University Partner city.
