

CV Prof. Dr. Rudolf Pietschnig

Scientific Career:

- Since 10/2011 Professor for Chemical Hybrid Materials, University of Kassel, Germany
- 6/2005-9/2011 Lecturer at the University of Graz, Austria
- 6/2005 Habilitation and *venia docendi* for Inorganic Chemistry, University of Graz, Austria
- 10/2002 Appointment as assistant at the Institute of Chemistry at the Karl-Franzens-University Graz, Austria
- 12/1999-9/2002 Liebig-Fellowship of the Fonds der Chemischen Industrie at the Faculty of Chemistry at the Ruhr-University Bochum, Germany.
- 8/1999-11/1999 Research scientist at the Organosilicon Research Center in Madison, WI, USA.
- 1/1998-7/1999 DFG-Research-Fellow in the group of Prof. Bob West, University of Wisconsin-Madison, Madison, WI, USA.
- 12/ 1996 Ph.D., University of Bonn, in the group of Prof. Dr. Edgar Niecke
- 7/ 1993 Diploma, University of Bonn, Germany
- 10/ 1986 Enrollment for Chemistry at the University of Bonn, Germany

Scientific Services:

- Conference Chair MHC-8 (Kassel, 2016)
- Conference Chair EWPC-12 (Kassel, 2015)
- Member of the Management Committee and Dissemination Manager EU-COST CM 1302, "Smart Inorganic Polymers" (SIPs)
- Member of the Management Committee EU-COST CM 0802 "PhoSciNet"
- Co-Organiser ICCOC-GTL13 (Graz, 2010)

Distinctions:

- Elected member of the Center for Interdisciplinary Nanostructure Science and Technology (CINaT) (since 2012)
- Liebig-Fellow of the German Chemical Industry Association (FCI) (1999-2002)
- DFG-Research-Fellow (1998-1999)
